Customers responsibility is to ensure that colour(s) and logo(s) are accurate on a specific order. Order is produced according to the latest approved design proof. \*Colours may not appear accurate on your screen or printed paper. Colours may have a deviation of ±5% ΔE due to variation of materials and inks. For a particular result ask for colourtest from your sales representative. \*Please note that this proof is based on L sized garment, design may vary with each size change. \*We highly recommend to avoid continuity of design between two different parts of product - Trimtex will not guarantee perfect result for this. \*It is not allowed to remove or change placement of Trimtex logos.
